Research Interest

- Synthesis and applications of new functionalized COFs

Education

- 2015.8- present **Ph.D. in Chemistry**, UC Berkeley, Berkeley, CA, USA
Advisor: Prof. Omar M. Yaghi
- 2011.9- 2015.6 **B.S. in Chemistry**, Jilin University, Changchun, China
- 2008.9- 2011.6 **High School**, Hangzhou No.2 High School, Hangzhou, China

Research Experience

- 2013.3- 2015.6 **Undergraduate Research Assistant**, Jilin University
Advisor: Prof. Jun-qi Sun
Topic: Layer-by-layer assembled functional films
- 2014.7- 2014.9 **Undergraduate Research Assistant**, UCLA
Advisor: Prof. Miguel A. Garcia-Garibay
Topic: Synthesis of asymmetrical molecular rotors

Honors

- 2014.3 **CSST Scholarship**, UCLA
- 2013.10 **National Scholarship**, Jilin University
