

Nicolas J. Diercks

Latimer Hall 636, University of California, Berkeley, CA 94704

e-mail: n.diercks@berkeley.edu

Education

10/2015 – Bachelor of Chemistry at Ruprecht-Karls-University
Heidelberg
03/2015 Abitur
German high school diploma
08/2007 – 03/2015 Friedrich-Magnus-Schwerd-Gymnasium Speyer
high school, skipping of 8th grade

Research Experience

05/01/2018 – University of California Berkeley,
Advisor: Prof. Omar Yaghi
04/14/2014 – 04/25/2014 BASF SE, Ludwigshafen, Photovoltaics in the company
area GC
06/06/2011 – 06/17/2011 BASF SE, Ludwigshafen, White Biotechnology in the
company area GV

Academic Awards

Chemie-Abitur-Preis der BASF SE
highschool graduation award of the BASF SE for exceptional accomplishments in chemistry

Additional Qualifications

03/30/2015 – 06/13/2015 Sol Schools Toronto, CAE-exam
05/29/2012 – 05/31/2012 Persolve training for presentations

language skills:

german:	mother tongue
english:	fluent (level C2)
french:	basic
spanish:	basic

computer literacy: Microsoft Office (Word, PowerPoint, Excel),
ChemDraw, Endnote (References), Topspin (NMR
analysis)

Technical Skills: Preparative organic/inorganic chemistry
NMR, UV-Vis-, FT-IR, GC-MS, STM, Cyclic
Voltammetry
